OUR PRODUCTS

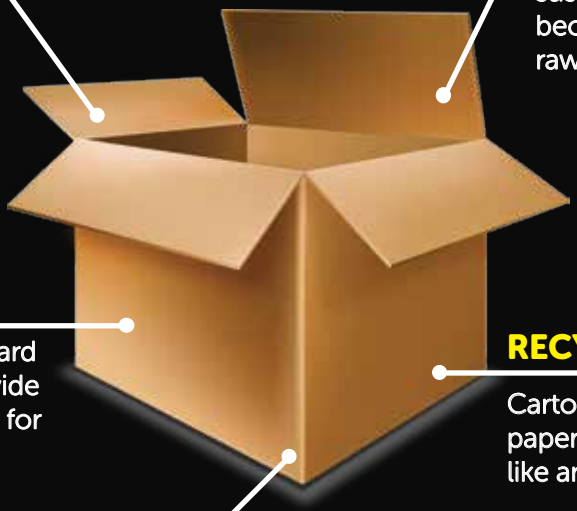

OUR PRODUCTS

STRONG

Cardboard and paperboard can be strengthened through a process called lamination which involves attaching multiple layers together, thus adding strength and stiffness to the cardboard.

ECO-FRIENDLY

Cardboard is one of the most sustainable packaging materials because it is made from renewable raw materials.

DURABLE

Constructed from robust cardboard or corrugated materials that provide excellent protection and support for multiple products.

RECYCLABLE

Cartons are made from 70-90% paperboard, which is recyclable just like any other paper or card.

RELIABLE

A reliable carton is a sturdy, rigid box made from paperboard or corrugated fiberboard that can be used to package products.

OUR TEAM

CHAIRMAN
HON. DR. SONVIR SINGH

A Visionary Leader and the Epitome of Resilience
Hon. Dr. Sonvir Singh is not only an accomplished engineer and entrepreneur but a testament to determination and excellence. With over 26 years in the packaging and printing industry, he has built a reputation as a problem solver who turns challenges into opportunities.

In 2009, he founded Shri Krishana Overseas Plc, now synonymous with innovation and sustainability in the packaging sector. Under his leadership, the company has become a market leader, offering durable, cost-effective, and environmentally conscious solutions while setting new industry benchmarks.

Dr. Singh's values were shaped by his early years as the son of farmers, instilling in him hard work, humility, and a deep commitment to helping others. Throughout his life, he has faced adversity with courage, consistently persevering and pivoting to overcome challenges. These principles have driven his dedication to uplifting those around him and achieving success through perseverance and compassion.

His philanthropic efforts, reflecting a heart as big as his ambitions, have earned him an honorary doctorate for social work. Similarly, Dr. Singh now aspires to leave an equally profound legacy in the business world by making Shri Krishana Overseas Limited the first packaging solutions company to go public in Kenya—a milestone that would set a groundbreaking precedent in the industry.

As Shri Krishana Overseas Plc enters its next chapter, Dr. Singh's resilience and proven ability to overcome obstacles inspires confidence. He is not just a man of action but one of results, responsibility, and unwavering leadership, always finding a way forward.

FINANCE DIRECTOR
NIRMAL CHAUDHARY

A Woman of Grit, Grace, and Greatness
In a time when women were only expected to get married off, Nirmal Chaudhary defied the norm, relentlessly pursuing her dreams. With unwavering faith in education, she completed her graduate studies, proving that determination can overcome any obstacle.

Her courage never wavered, regardless of adversity. She believed that with hard work, no dream was out of reach, shaping a journey of success not just for herself but for many others.

When she and her husband, Hon. Dr. Sonvir Singh, built Shri Krishana Overseas Plc , she poured in tireless effort. As a mother, she balanced responsibilities without hesitation, bringing her children to work and prioritizing business over celebrations like Diwali. If a customer needed something by morning, she and her husband worked through the night—her commitment to excellence was unwavering.

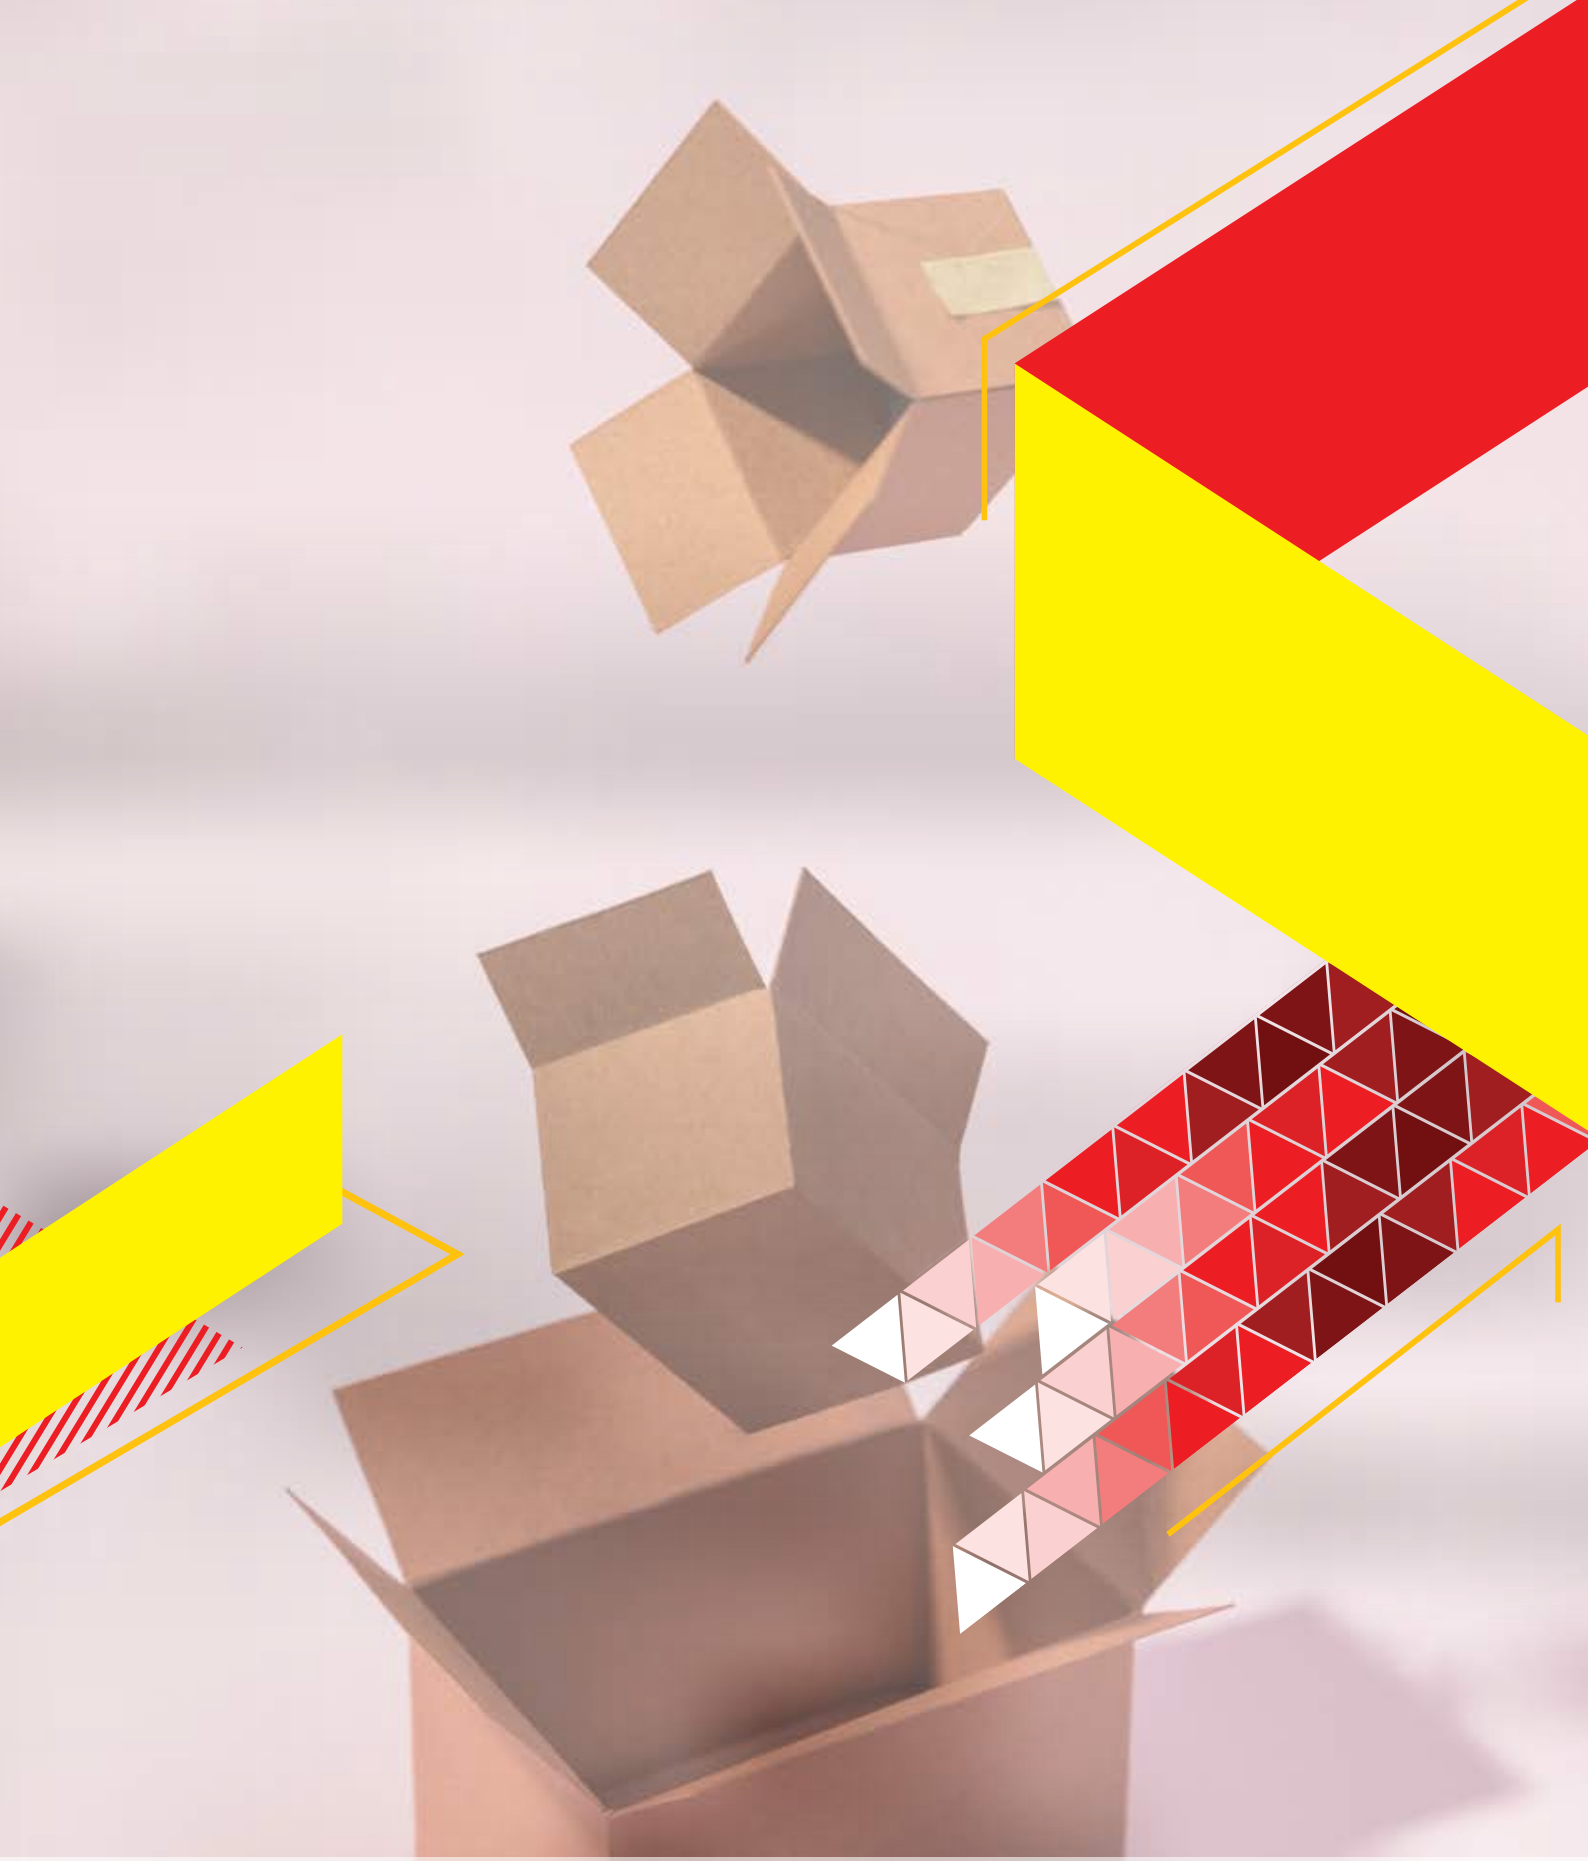

Beyond business, Nirmal's philanthropic efforts earned her the prestigious Pacesetter Award. She also secured a place in the Global Book of World Records for spreading Indian values in Kenya for the betterment of humanity. Her compassion and integrity reflect a heart of gold, embodying true leadership and dedication.

Nirmal Chaudhary's journey is a testament to resilience and self-belief. A successful entrepreneur, a social visionary, and a cultural ambassador, she has also won prestigious Mrs. India titles, further solidifying her legacy. Her story proves that with determination, anything is possible, inspiring women to dream beyond limitations.
